

Eritrea Huijue Energy Storage Power Supply Manufacturer

2MW / 5MWh
Customizable

Overview

Huijue Group offers industrial and commercial energy storage, PV-BESS -EV Charging, Off-grid / On-grid Microgrid, telecom site solutions, and home solar energy storage, ensuring reliability, efficiency, and eco-friendliness. Our comprehensive product range includes high-performance lithium batteries, integrated storage systems, and. Founded in 2002, Huijue Group is a high-tech service provider integrating intelligent energy storage equipment and computer intelligent network communication system integration and application. It integrates power supply, power distribution, backup power, protection, and monitoring into one unit, providing. We are a professional Manufacturer in China, and we are constantly innovating so that our customers can have better products and services. Founded in 2002, Huijue Group is a high-tech service provider integrating the integration and application of intelligent network equipment and intelligent. Located in Ganzhou City, Jiangxi Province, this project constructs e total rooftop area is approximately 38,518 square meters, with 4,745 monocrystalline silicon N-type photovoltaic modules of 590 Wp each installed, resulting in a total construction capacity of 2.
