

Intelligent outdoor telecom cabinets for oil refineries

Overview

Designed to save deployment cost and time, our innovative solutions include hub collapse, battery backup, composite mounting platforms and modular series cabinets. Modular capability helps future proof your networks so infrastructure can easily grow over time. KDST specializes in delivering a full range of cabinet solutions for telecommunications, energy, and industrial automation sectors. With strong customization and integration capabilities, we combine power supply, cooling, monitoring, and communication modules to engineer robust systems for. Outdoor Enclosure Cabinets are a critical component in modern communication and power networks, providing a controlled, weatherproof environment for sensitive electronic and electrical systems. Huijue's outdoor weatherproof enclosure cabinet box solutions are developed for demanding field. KDST delivers safer, smarter, and more efficient outdoor cabinet solutions, engineered to protect sensitive equipment in any environment.
